Bapuji Educational Association (Regd.)

D.R.M. SCIENCE COLLEGE

Davangere - 577 004.

Profile of the College:

D.R.M. Science College, formerly known as DRM college is the mother of all the constituent schools and colleges of Bapuji Educational Association. Previously it was a Govt. Intermediate college started in 1947 and was run by the Govt. of Mysore. Bapuji Educational Association took over this college in 1958 (Perhaps first of its kind) and converted it into First Grade Arts, Commerce and Science College. Being the only college at that time in and around Davangere, it catered to the needs of the aspirants of higher education - both rural and urban. It is named after the donor Sri Dharmarathnakara Rajanahalli Maddurayappa (DRM), Davangere.

The college, owing to its increasing strength, was bifurcated into D.R.M. Science College and A.R.G. College of Arts and Commerce in 1973. The college which had the permanent affiliation to Kuvempu University, is now affiliated to Davangere University after its commencement four years ago. This is an aided college, and is recognised by the U.G.C. with 2f, 12B and is getting U.G.C. grants.

The Govt. of Karnataka took a decision to separate P.U. Classes from composite degree colleges and accordingly the college was further bifurcated into D.R.M. P.U. Science College and D.R.M. Science College in 2001.

Motto of the College : "WORK IS WORSHIP"

Our Vision:

The vision is to provide access to the quality of education to keep pace with the changes taking place in the field of knowledge.

Our Mission:

To empower socially, economically, educationally weaker students into the main stream and there by contributing to the socio-economic development of the nation.

Our Objectives:

- * To impart knowledge and skill through innovative methods of teaching learning and evaluation.
- * To provide good learning experience through interactive and innovative teaching and learning process to meet the overall development of the students to face the global challenges.
- * To provide quality education to rural students which enable and empower them to access entry into the main stream with good career competency and community consciousness.
- * To develop this college into a dynamic campus that lays a strong foundation to knowledge along with healthy socio-cultural values that will enable the students to become good citizens with a commendable global outlook.
- * To provide adequate infrastructure and to create academic environment for qualitative teaching, learning and enabling to acquire competing skills.
- * To encourage faculty members and students to pursue academic excellence through research activities.

Our Goals:

Short term:

- 1) To organize extension programmes.
- 2) To conduct class seminars, debates, group discussions.
- 3) To conduct student research projects.
- 4) To conduct training programmes.

Long Term:

- 1) To start job/career oriented courses.
- 2) To take up major, minor research projects.
- 3) Value based/modular courses.
- 4) ICT based courses.
- 5) To establish research consultancy and extension centre.

Brief Over view of the College:

The college has an independent building built in an area of 4 acres of land. The first block houses the principal's chamber, office, general staff room, gym room, ladies rest room and classrooms. The second block houses Physics and Chemistry practical labs, staff rooms and HODs' rooms. The third block houses Botany and Zoology depts, with practical halls and museums. The Fourth block is our College library -a store house of knowledge. It also includes Electronics, Computer Science and Microbiology departments & labs. Micro Biology lab has been converted into Language lab.

The College has a separate Vehicle stand for Staff and Students. It has a small canteen of its own.

Brief History of Achievements:

The college has grown by leaps and bounds ever since its origin. The very fact that the college has been bifurcated twice, speaks volume for its growth and development. The college offers new programs like Electronics, Computer Science and Micro-biology to meet the situational demands. The college has produced about 16000 science graduates ever since it came into existence in 1958 on an average of 300 every year. Among them are the writers, poets, educationists, administrators, university professors, vice chancellors, planning commission members, engineers, doctors, politicians, industrialists, businessmen, cartoonists, advocates, teachers and farmers.

The college which was started in a cement building, has now an independent building built in four blocks in an area of 4 acres of land. The college has well equipped laboratories and library. It celebrated its silver jubilee in the year 2000. The following year was the year of accreditation by NAAC. It was accredited at *** in 2001, re-accredited in 2007 with B⁺ grade, and again re-accredited by B⁺ grade in 2015. The College has been grateful to the Bapuji Educational Association, its donor, founder members and present members and the Hon. Secretary Sri Shamannur Shivashankarappa for their vision, support and able administration. The credit also goes to the band of committed teachers, office staff and the principals who ran the show successfully over a period of 50 years.

Uniqueness of the College:

- * The College is purely a science one which has co-education system.
- * The college has an eco-friendly campus with an open-air stage for conducting the college functions.

- * Spacious, well planned and well equipped laboratories and museums.
- * A new Silver jubilee commemorative Sri Shamanur Shivashankarappa Library Building, containing more than 31800.
- * A band of committed and experienced teachers guided by the dynamic principal.
- * College toppers are honored by the Pratibha Pratisthana of the college and BEA by awarding cash prize every year.
- * A lifeline in the college N.S.S. unit to donate blood to the needy in emergency.
- * Training programmes for students.
- * Remedial class for academically weak students.
- * Educational tours as a part of learning process.
- * Book bank for S.C. & S.T. Students.
- * Campus selections by well known companies such as Wipro, Infosys, H.P. etc.
- * Internet facility for staff.

Famous Achievers among the Alumni of the College:

The college takes pride in having produced a great number of eminent personalities, now serving in various fields both in India and abroad. Sri Shamanur Shivashankarappa, Hon. Secretary, B.E.A., Late Sri J.H. Patel, former Chief Minister of Karnataka, Late Dr. D.M. Najundappa, former Vice-Chancellor of Karnataka and Bangalore University, Prof. M. Chidandanda Murthy, a noted writer and researcher, Dr. K. Siddappa, former Vice Chancellor of Bangalore University are noteworthy.

Future out look:

It is our intention to make this college a full pledged institute of Science and research by introducing new programmes depending on how things take their turns and shape in near future.

Programs Offered:

Part-I Languages **a.** English **b.** Kannada **c.** Hindi **d.** Urdu (Any two).

Part-II Core Subjects: (In combination of)

- i) Physics, Chemistry, Mathematics (PCM)
- ii) Physics, Mathematics, Computer Science (PMCS)
- iii) Electronics, Mathematics, Computer Science (EMCs)
- iv) Chemistry, Botany, Zoology (CBZ)

Eligibility for Admission to I B.Sc.

Degree Course:

Students seeking admission to I B.Sc. should have passed two year PUC Examination conducted by the PUC Board, Bangalore, Karnataka State with at least four core science subjects or examination of any other University or Board recognized as equivalent by the Davangere University. Such students should produce eligibility certificate from the Davangere University, Davangere, Karnataka.

BHRD Composite Course:

(Basics in Human Resource Development)

B.H.R.D. Composite Course was started for the first time in this part of Karnataka in collaboration with C.L.H.R.D., Mangaore during the year 2011-12. It is a six semester course like any other Bachelor degree course.

Why join BHRD along with your graduation?

Because

- * It is more unique than rare.
- * It builds you.
- * It incredibly empowers you.
- * It is available in two modes: Regular & Semester Break Modes.
- * It develops your personality.
- * It nurtures you to competence.
- * It brings you an employable status.
- * You become a leading communicator.
- * It enables you to attempt civil service exams.

Eligibility:

Students who have passed their PUC examination conducted by the P.U. Board, Bangalore or examination of any other board recognized by the Davangere University as equivalent.

Course Fee:

Rs. 5000/- per semester which includes admission fee, teaching material, examination fee and certification fee, etc.

Library:

An Independent two storeyed silver jubilee commemorative building named Sri Shamanur Shivashankarappa Library was built and declared open on 14-02-2004. It has a separate reading room and reference section. It works from 9-00 am to 5-30 pm without any lunch break. It has over 31800 books in addition to a good number of National and Inter-National Magazines and Science Journals, Daily News Papers of different languages are provided to the students.

The library and the college office have been computerized. This facilitates the smooth functioning of both office & library work.

N.C.C. and N.S.S.:

The college has a N.C.C wing monitored by an able N.C.C. Officer. The college has a N.S.S. Unit too. The N.S.S. activities are regularly carried out under the guidance of the committed N.S.S. Officer. The life line of N.S.S. provides blood in times of emergency to the needy.

Sports:

The students are encouraged to participate in both indoor and outdoor games. Gym set sanctioned by the U.G.C. is installed. This enables students to keep up their good physical fitness. Our students are trained by our active and able physical education director.

Attendance:

Guidelines provided by the P.U. Board and the Davangere University are strictly adhered to. Students with less than 75% attendance are informed to improve their attendance and the parents are kept informed about their irregularity.

Cultural Association:

The Cultural Association run by the elected representatives of the students arranges cultural programs, lectures and seminars. This helps in the over all development of the students and brings out the hidden talents in them. The college magazine brought out once in two years is a step in that direction.

Committees:

Various committees are formed to look into the matter of discipline, attendance, examination, library, college campus maintenance, cultural and sports activities, students' grievances, ragging, career guidance, equal opportunity, inclusive growth, etc.

Scholarships:

Details regarding various kinds of scholarships will be notified on the college notice board as and when the notifications are received from the Govt. The students are advised to see the notice board and contact the office for forms and other details.

BAPUJI EDUCATIONAL ASSOCIATION : A PROFILE

Bapuji Educational Association is one of the oldest and prestigious educational institutions in Karnataka. It came into existence in 1958 with a sole intention to start a first grade college in Davangere. It intended to cater to the needs of those who aspired for higher education. All the lovers of higher education volunteered their service whole heartedly, in building up this institution. The money flowed in as the donors contributed liberally.

The institution grew by leaps and bounds under the able administration and guidance of Sri Shamanur Shivashankarappa, its present Honorary Secretary.

The growth of Bapuji Educational Association has also led to the growth of Davangere. Now they are almost, synonyms. The Association is running schools and colleges right from Nursery to Post Graduate courses, from Diploma to Engineering and Nursing to Medical. It also runs Pharmacy and Dental Colleges.
