Bapuji Educational Association (Regd.)

D.R.M. SCIENCE COLLEGE

Davangere - 577 004.

Profile of the College:

Bapuji Educational Association which was started in 1958 was a mile stone in the history of Davangere. Before the establishment of this association, there was a little scope for higher education. Davangere once enjoyed as 'The Manchester of Karnataka' because of the cotton and oil mills. Due to fall of these mills the glory came to an end. But gradually this lead to the growth of educational institutions and Davangere has earned the name the 'Oxford of Karnataka'. The names of the Bapuji Educational Association and Davangere have almost become synonyms because of its 54 educational institutions.

The credit of placing Davangere on the National and International level goes to Bapuji Educational Association, headed by Dr. Shamanuru Shivashankarappa, M.L.A., Davangere.

Dharamarathnakara Rajanahalli Maddurayappa Science College (D.R.M. Science College) formerly known as D.R.M. College, is the mother of all constituent schools and colleges of Bapuji Educational Association (B.E.A.). Previously it was a Government Intermediate college started in 1947 and was run by the Government of Mysore. The BEA took over this college (perhaps first of its

kind) in 1958 and converted it into First Grade Arts, Commerce and Science College. Being one of the oldest and reputed colleges, it caters to the needs of both rural and urban students. The college is named after its donor Sri Dharmarathnakara Rajanahalli Maddurayappa, Davangere.

The college, owing its increasing strength, was bifurcated into D.R.M. Science College and A.R.G. Arts and Commerce College in 1973. The college which was formerly affiliated to Kuvempu University, Shivamogga is now affiliated to the newly started Davangere University. This is an aided college, recognized by UGC under 2f and 12B and is getting UGC grants.

The Government of Karnataka took a decision to separate P.U. College from composite Degree Colleges and accordingly was further bifurcated into D.R.M. P.U. Science College and D.R.M. Science College (Degree) in 2001.

The college has been accredited by NAAC in the first cycle with **Three Stars on 22.03.2001**, second cycle with **grade B⁺ on 31.03.2007**, third cycle with **grade 'B' on 01.05.2015** and fourth cycle with **grade B⁺ on 15.02. 2022**.

The college is proud to have units of NCC, NSS, Rangers and Rovers, Youth Red Cross which are supporting in building the personality of the students.

Motto of the College :

"WORK IS WORSHIP

Our Vision:

The vision is to provide access the quality of education to keep pace with the changes taking place in the field of knowledge.

Our Mission:

To empower socially, economically, educationally weaker students into the main stream and there by contributing to the socio-economic development of the nation.

Our Objectives:

- To provide good learning experience through interactive and innovative teaching and learning process.
- To meet the overall development of students to face the global challenges.

Our Goals:

- Caters quality education at an affordable cost especially for rural students.
- Maintaining the exit performance of the students higher when compared to entry level.
- To reach academic excellence.

Future outlook:

It is our intention to make this college a full pledged institute of Science and research by introducing new programmes depending on how things take their turns and shape in near future.

Programmes Offered (NEP):

Implemented the NEP-2020 from the academic year 2021-22. Accordingly, the programmes offered are

- (i) Physics, Chemistry,*
- (ii) Physics, Mathematics*
- (iii) Chemistry Mathematics*
- (iv) Chemistry, Botany*
- (v) Chemistry, Zoology*
- (vi) Botany, Zoology*
- (vii) Physics, Computer Science*
- (viii) Mathematics, Computer Science*

Along with this multidisciplinary subjects are also introduced to fulfill the needs of the students.

Eligibility for Admission to I B.Sc.

Degree Course:

A pass in II PUC PCMB or equivalent to II PUC are as directed by the Govt of Karnataka and Davangere University.

Library:

The library is a learning resource. The library block of our college has three floors. The ground floor consists of circulation section, faculty reading section, separate reading sections for boys and girls, e-library and Librarian chamber and also toilets for girls and boys. The first floor consists of reference section and study area which provides access to a number of dailies, journals, general magazines. The Yoga center is also found in the second floor along with IQAC room and LEAD room. For excellent set up of academic activities the library acts as a nerve centre, catering to the needs of the students and faculty. Our college library was established in the year 1974, with only 996 books and now it has 30933 and 20976 books with unique titles. In its Treasure, it has 5 regional and 1 national journals. At present INFLIBNET facility is provided to access 60000 journals and 3 lakh books through this. Library is fully automated by VISILIB software. This fulfils the needs of the teachers and students in teaching learning process.

NCC and NSS

The NCC unit of college plays a very important role in nurturing self-discipline, royalty and patriotism. Every year it has bagged medals as 'Best March Fast Unit' by Davangere district administration. The NSS unit conducts annual camps in the neighboring villages for 7 days. This helps the students to know how to interact with the rural people and to understand their life styles. Davangere University recognized the activities conducted by our college NSS unit and awarded it as the 'Best NSS Unit' in 2016-17.

Likewise, Skill plus unit which enhances the skills of the students who have joined to this programme. After taking the training the students will be employed in different companies. This is one of the important MoU with Deshapande Foundation, Hubli in providing jobs for the students. Youth Red Cross (YRC) unit of our college encourages our students and staff to donate their blood to the needy. Every year it organizes Blood donation camp in collaboration with J.J.M. Medical College, Davangere. Anti-sexual women harassment and Anti-ragging committee, Alumni Association, Career Guidance and Placement Cell, Cultural Committee have engaged in conducting activities like gender sensitization, drug abuse and its ill effects, health camps, skill development programmes, entrepreneurship awareness programmes, programmes on how to face competitive examinations along with various cultural activities. Basically, ours is a science college and much importance is given to the science related activities. Students participated in zonal level and state level science exhibition and science lecture competitions. They bagged prizes both at zonal and state levels. The National Science Day is celebrated by inviting eminent personalities. On this occasion, science models and some of the experiments that are beneficial to the High School and P.U. College students are prepared by our students and these are exhibited.

Our students give the information about these models and experiments to the teachers and students of these schools and colleges who visit our college. Thereby, the leadership quality of the students is enhanced. The P.U. teachers and students are also benefited by visiting our college. These activities enable the students to

develop self-confidence, self-discipline and commitment, teamwork and leadership qualities along with excelling in academics. The students also gain knowledge and experience through such type of activities.

Scholarships:

Most of the students are benefitted by getting different scholarships provided by the government and management.

1. Govt. of India Post-Matric Scholarships for the students belonging to scheduled castes and scheduled tribes.
2. Scholarships to students who are economically backward class.
3. Jindal Merit Scholarship
4. Vidyasiri
5. C.V. Raman Scholarship
6. Prathibha Puraskar by Prathibha Prathistana of our college.
7. Dr. Shamanur Shivashankarapa for meritorious students.

Code of Conduct for Students

- Students are expected to maintain discipline and behaves in a dignified manner inside the campus.
- All students should wear proper uniform with ID cards
- Students should reach the class rooms on time and attend the classes regularly and maintain at least 75% attendance.

BAPUJI EDUCATIONAL ASSOCIATION : A PROFILE

Bapuji Educational Association is one of the oldest and prestigious educational institutions in Karnataka. It came into existence in 1958 with a sole intention to start a First Grade College in Davangere. It intended to cater to the needs of those who aspired for higher education. All the lovers of higher education volunteered their service whole heartedly, in building up this institution. The money flowed in as the ~~docs~~ contributed liberally.

The institution grew by leaps and bounds under the able administration and guidance of Sri Shamanur Shivashankarappa, its present Honorary Secretary.

The growth of Bapuji Educational Association has also led to the growth of Davangere. Now they are almost, synonyms. The Association is running schools and colleges right from Nursery to Post Graduate courses, from Diploma to Engineering and Nursing to Medical. It also runs Pharmacy and Dental Colleges.
